

Meeting Minutes

Staff Meeting

Date: 9/30/14

Present:

- ME students:
 - Steven Blanchette, David Deli, Jeremiah McCalister, Abigail McCool
- CE students:
 - n/a
- Faculty/Advisors:
 - Dr. Gupta, Dr. Helzer

Notes:

- Cost of wind turbine
 - Reverse engineer it
 - Look up utility cost
 - Look at cost per kWh
- Split up responsibilities (assign resources)
- Look up and see if there is any research on size of blade and power production
- Set deadlines (personal milestones for team in regards to design of turbine)
- Check with the national weather service about the wind speeds in need (they should be able to provide information)
- Tip from Dr. Gupta: reports should contain a good mixture of text and bullet points
- Dr. Gupta and Dr. Helzer have office ours on Tuesdays and Thursdays from 9-12
- Room available: for senior design meetings: A212 (combination to room was provided)
