

7: - 6:30

Minutes - 9/15/16

2 Meetings

↳ After 7:30 - Brandon Regard  
Tues day - Alex Preference.

Deadlines

↳ 2 small lunches

- Some one needs to get certified

↳ Tary needs to send email  
about information.

Maybe can do multiple flights one day.

Keep track of lunch locations & dates  
- schedule long to brief.

↳ Discuss with Gupta during staff meeting  
Big Presenters.

Discuss budget & sponsors. with Gupta.  
at least

- Contact Blue Origin about sponsoring.

- Research previous groups & their payloads

- Figure out if we need to do static

- Discuss ~~the~~ star track.

- Try & Find out more budgets

- Largest Rocket motor we can buy - launch personally is  $\perp$

Find out how much weight in  $\perp$   
(could carry to 10,000 ft.)

Locals  
↳ web contact info for John Harrel,  
Tony get dates  
Build schedule.

Research motor, payloads, & what  
is interesting but 10,000 ft.

~~★~~ Clarify Requirements ~~★~~

look into documentation to look at  
Rocket design text books.

Rocket will need a control system

- May need 2 Rockets.
